

With today's common requirement of providing a combination of both Audio and Visual Alarm, the AVD-BBX-9 Unit consists of an Alarm Bell with a High Luminance LED Strobe Light mounted onto a metal box.

**Features :-**

- Box material made of Corrosion Resistant Galvanized Steel
- Low Current Consumption using High Luminance LED Strobe
- Colour of the box could be customized upon special request
- Box could be made to suit other models of Alarm Bells or Strobe Lights

(For Technical Specifications, kindly refer to the respective Data Sheets of the Alarm Bell MBA-624 and Strobe Light AVD-C501)

**Typical Dimension**
